Work Experience

Web Developer at Prism

Aug, 2017 - Present

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

Web Developer at Paramount

June, 2013 - May, 2015

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Junior Web Developer at P&G group

Jan, 2011 - May, 2013

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
